EYR presenter meets ‘pop picking’ legend Tony Blackburn

Charlie Arnold, a year 10 student at Eastbourne Technology College and Eastbourne Youth Radio presenter met with radio legend Tony Blackburn recently as part of the EYR project.

Charlie travelled to KMFM radio in Kent to interview Tony for the ETC show on EYR this Thursday. Charlie said, ‘ I have to admit that I didn’t know who Tony Blackburn was until I was due to meet him but all the adults at ETC were well impressed. He was really good to interview and wished EYR well on our

show next week. I spent the rest of the day in the studios learning what it is like to be a real DJ and presenter.’
