Welcome to EASTBOURNE YOUTH RADIO 2017

As Chair of the Eastbourne Education Business Partnership it gives me great pleasure in welcoming you to Eastbourne Youth Radio (EYR) 2017.

There are few projects that bring together so many schools, students, teachers and employers in such an energising experience of three days of live radio broadcasting from the studios of our partner Sussex Downs College. Furthermore, EYR provides the whole Eastbourne community with a local project that they can feel a part of, with parents, grandparents and friends all tuning in to 87.7FM or via www.eyr.org.uk to hear the programmes and contributions from their family and their schools.

EYR is also notable for its longevity and sustainability, and this year we celebrate the 17th year of the event, a truly remarkable achievement and testament to its value and popularity, and its ongoing relevance to the curriculum and personal development of students. Every year, EYR attracts 20 to 25 educational institutions, around 45 sponsoring businesses and the involvement of some 2,000 students.

I hope your school takes full advantage of the opportunity, and that you and your students have a memorable experience.

Dr Steven Goss-Turner

Chair, Eastbourne Education Business Partnership

ON AIR!

Eastbourne Youth Radio returns to the airwaves for 2017 on 87.7FM and online at www.eyr.org.uk. Broadcast from Sussex Downs College, Eastbourne, from Wednesday 15th to Friday 17th November, EYR sees students from local schools and other organisations, present a radio show, creating three packed days of programming. The students, who range in age from five to 19, present programmes on a range of topics and in a variety of formats. This year's EYR coincides with various notable dates on the calendar. These include Anti-Bullying Week, Global Entrepreneurship Week, UK Parliament Week and Children in Need. Some of the schools will be exploring these topics through their shows.

EYR will be helping to raise awareness of Anti-Bullying Week, the theme of which is 'All different – all equal' for 2017. Eastbourne Youth Radio is also a registered project during Global Entrepreneurship Week and won High Impact event awards (2009-2014) for its work.

EYR is made possible thanks to the many local businesses who support the project. EYR is proud to announce NHS Health Education England (*Kent, Surrey & Sussex*) as its key sponsor for 2017. Featured on EYR's launch programme, NHS Health Education England works to improve the quality of healthcare through education, training and staff development. As sponsor of EYR, they are well placed to speak to participating schools on a range of issues, including mental health, health sciences, end of life care and sexual health. EYR also welcomes the return of sponsor East Sussex Fire & Rescue Service (*ESFRS*), who work with the schools on a range of relevant topics including car safety and fire safety.

This year, Eastbourne Youth Radio is also pleased to welcome St Wilfrid's Hospice, Eastbourne, on board as a key partner. Look out for news and stories centred around the fantastic work of the local hospice in the schools' shows.

EYR gives youngsters control over the airwaves in a presenter and producer capacity. It teaches them skills transferable to many workplace environments. Expect a variety of music, debates, interviews, poetry and plays. Tune in on 87.7FM or online at www.eyr.org.uk from 10am on Wednesday 15th November.

FLAGSHIP SHOWS ANSWER BACK! & MEET THE MEDIA

Answer Back! (*Wednesday 15th November, 6pm-7pm, sponsored by Brewers*) lets the youth of Eastbourne raise questions on the topics important to them. Eastbourne Youth Radio coincides with Anti-Bullying Week and UK Parliament Week, so expect topics of discussion to include mental health issues, wellbeing and the future of Britain.

On the panel: Stephen Lloyd, MP for Eastbourne and Willingdon; Caroline Ansell, Conservative Spokesperson; Paul Howard, Labour Spokesperson; Stephen Holt, Business Development Manager, EDCC and EDEAL; Keith Ridley, Ambassador, Eastbourne Herald; Jamie Harris, Student Union President, Sabbatical Officer at Sussex Downs College.

Answer Back! was pre-recorded on Friday 10th November at The Eastbourne Academy to an audience of students interested in local and national politics.

Eastbourne Youth Radio's second flagship show, Meet the Media (*Thursday 16th November, 12pm-1pm, sponsored by Sussex Downs College*) introduces the student audience to media professionals and lets them explore different career paths from broadcast journalism, to websites, PR, advertising and print. The face of the media has changed so much since EYR's inception at the turn of the millennium. What do the Media professionals think about journalism in 2017? What will jobs look like in the future? How has the internet and growth of social media transformed news reporting? Why is radio still so important? Expect all of these questions and more! The Meet the Media panel for 2017: Rachel Mackey, BBC South East Today Weather Presenter; Rik Scott, Voiceover Artist at Rik Scott Creative; Sharon Williams, Freelance Broadcast Journalist; Dan Gasser, Radio Presenter 'Radio X' (*previously of Capital, Southern FM, Heart and Juice*) and Simon Jenkins, Reporter for BBC Sussex.

Please note: *The Answer Back! and Meet the Media panels are correct at the time of going to press and may be subject to change.*

EYR Close Mix

Sponsored by: The BIG Futures Show

www.bigfuturesshow.org.uk 07890 388624

It's goodbye again. Those left standing after our mammoth broadcast take you through the highlights of EYR 2017. We will be back.

JOHN YOUNG'S NEWSROOM BOOTCAMP

The Newsroom Bootcamp is one of EYR's popular supporting events. John Young (*local TV newsreader and journalist*) looked at what makes the news – new, novel, serious, significant, weird, wonderful, extraordinary and then story values. Students had to prepare (*and then read*) news headlines and react to breaking news and changing priorities. Working to tight deadlines against the clock was paramount. Following this experience, pupils used professional autocue equipment to read, film and then watch back their news headlines. Sixty-five primary, secondary and post-16 students attended 90-minute workshop sessions throughout the day.

WEATHER UPDATES

A radio show isn't complete without weather updates and EYR 2017 will provide hourly forecast updates for listeners.

Students will use specialised weather equipment stationed at Sussex Downs College and receive demonstrations on how to read the weather equipment.

EYR Manager Tim Sorensen comments, "The weather is essential to any radio station and EYR will be no different. This is a fantastic experience for the students."
