EASTBOURNE YOUTH RADIO

LIVE ON AIR
16-18 NOV 2022

www.eyr.org.uk

Welcome to EASTBOURNE YOUTH RADIO 2022

As Chair of the Eastbourne Education Business Partnership, it gives me great pleasure in welcoming you to Eastbourne Youth Radio (EYR) 2022.

There are few projects which bring together so many schools, students, teachers and employers in the intense and fulfilling experience of 3-days of live radio broadcasting from the studios of our partner East Sussex College in Eastbourne. Furthermore, EYR provides the whole Eastbourne community with a local project that they can feel a part of, with parents, grandparents and friends all tuning in to **87.7FM** or via **www.eyr.org.uk** to hear the youth programmes and contributions from their families and schools.

EYR is notable for its longevity and sustainability, and, we are proud to be celebrating our 22nd year. This is an achievement in itself, and testament to its value, popularity, and its ongoing relevance to the curriculum and personal development of students. More than 1000 students will be involved, representing 13 schools and colleges across the area, supported by the sponsorship of over 40 businesses and other organisations, a really wonderful example of the collaboration between education, commerce and the community. My sincere thanks and congratulations to everyone involved.

And a note for your calendars and diaries: The BIG Futures Show (BFS), the town's largest employability, skills and job seekers event, and another project of the Education Business Partnership, returns on 25th April 2023.

Faiza Shafeek

Chair, Eastbourne Education Business Partnership

ON AIR!

Eastbourne Youth Radio (EYR) returns to the airwaves for the 22nd year from 16th – 18th November 2022 on 87.7FM and online at www.eyr.org.uk. Broadcast from studios at East Sussex College in Eastbourne, EYR sees students aged from 5-19 from local schools and other organisations, present their radio shows covering a wide range of topics – much of it live. This year's broadcast coincides with several notable events. Namely, Anti-Bullying Week, Global Entrepreneurship Week, UK Parliament Week and finally BBC Children in Need. Individual programmes will cover all of these during the packed 3-day schedule.

EYR is only made possible by the considerable support and involvement of the many businesses and organisations that are detailed in the listing pages that follow.

Anne Menzel, Marketing Manager at Stagecoach South East, and lead sponsor, says, "We are delighted to be supporting Eastbourne Youth Radio. We've seen first-hand the wonderful opportunities the project offers the students; developing organisational, technical and creative skills whilst giving them the opportunity to explore topics that directly affect them and their future. We're looking forward to getting involved again to hear what the young people of Eastbourne have to say!"

We are very pleased to receive financial support from the Eastbourne & Lewes District Community Safety Partnership. This recognises our work promoting Anti-Bullying Week and this year's theme 'Reach Out' plus issues around mental health and wellbeing. Several programmes will focus on related stories and the many organisations providing support including Eastbourne & District Samaritans.

Southern Water is back to talk about 'Misconnections'. Edwards Vacuum and LECS (UK) Ltd will be talking engineering and VulcanEllis and Frontside Developments will be looking at local construction projects. Other contributions include, UpCountry Stone Cross, East Sussex Fire & Rescue Service, Brewers, St. Wilfrid's Hospice, Stellaria Media, Radio DGH and many more.

EYR is all about enabling young people to research, produce, present and perform their own material in association with community partners for a family audience. From this they learn and develop a whole range of skills that they will find helpful in future life.

We hope that you enjoy listening to their work over the three days.

STAGECOACH SOUTH EAST ARE PROUD TO SERVE THE COMMUNITY IN EASTBOURNE

We are Stagecoach South East, a bus operator providing transport solutions for the community, by the community. With over 60 buses serving the Eastbourne area, we are here to get you where you need to be. Our frequent Loop service runs every half hour and gets you straight into the heart of Eastbourne, with easy access to the Beacon, beach and beyond!

Community is at the heart of everything we do, supporting local charities, organisations, and businesses to ensure our towns and villages prosper. Our iconic summer service, the Dotto train, holds great pride for the people of Eastbourne, and helps support the thriving tourist economy.

We are proud to run services that help support the day-to-day lives of so many people in the local community, which is why our team are dedicated to help make Eastbourne flourish. We offer great value bus tickets for those quick trips into town. Our regular #1 and #1A service allows you to hop on the bus for as little as £1.80.

The environment and sustainability are at the forefront of all we do. In September 2022, we teamed up with Sussex Wildlife Trust to clean local beaches to help protect our stunning coastline.

MAKING THE RIGHT CONNECTIONS IN YOUR HOME

Connecting household waste incorrectly can have a devastating impact on the local environment. Here at Southern Water, we have a team dedicated to finding such connections and working with a range of people to stop the pollution to the local streams, rivers and the sea.

It can be difficult to know whether you have a misconnection. However, if you are having renovations done to your home, or simply moving a washing machine to another area of the house. Please check you are connecting to the correct drain.

Spotlight on:

ANSWER BACK! & MEET THE MEDIA

Answer Back! (Wednesday 16th November @ 6pm, sponsored by Brewers) enables students to ask questions – and get answers on the issues important to them. EYR supports Anti-Bullying Week ('Reach Out), UK Parliament Week and Global Entrepreneurship Week, so expect a wide range of topics for animated discussion by the panel to include, government and local community issues, mental health and wellbeing, jobs and more.

The panel includes: Caroline Ansell MP; Christina Ewbank – CEO of Eastbourne *unLtd* and EDEAL, Cllr Josh Babarinde OBE – Lib Dem parliamentary candidate and Peter Marchant – Executive Headteacher, Cavendish School.

Answer Back! is pre-recorded at The Eastbourne Academy with questions set by students from local schools and colleges.

Meet the Media (Thursday 17th November @ 12pm, sponsored by East Sussex College Group) introduces students to media professionals to explore the many different aspects of the industry from broadcast journalism, to websites, PR, advertising and print. The face of the media has changed so much in recent years. What do the panel members think about journalism today? What will media jobs look like in the future? How has the internet and growth of social media transformed reporting? Why is radio still so important? Expect these questions and more!

The panel includes: see www.eyr.org.uk

Please note: The **Answer Back!** and **Meet the Media** panels are correct at the time of going to press and may be subject to change.

EASTBOURNE & LEWES DISTRICT PARTNERSHIP SUPPORTING SAFER COMMUNITIES

The *Partnership* is a group of organisations that work together to discuss the crime, safety and anti-social behaviour issues that impact on our local communities. Meeting regularly helps member organisations, which include representatives from local police, fire & rescue services, the borough and county councils, take a more rounded view of the changing patterns of crime, the challenges for local businesses, and those concerns that make local residents feel unsafe.

The partners commission work to help understand what the current priorities are, including those types of issues that are likely to be of interest to young people, such as staying safe online, tackling bullying, navigating unhealthy relationships, and being aware of the potential for exploitation and harm associated with drugs and gangs. The *Partnership* works with lots of local organisations to run awareness programmes and projects to help address these issues and can access some funding to help.

WEATHER UPDATES

A radio show isn't complete without its regular weather updates. Students will use their mobile phone technology during programmes to help them provide hourly forecasts for listeners on EYR. Here's hoping for some fine weather!

EYR show stories:

Treebourne's mission is to plant **10,000** trees a year. In Eastbourne, we're especially affected by the loss of thousands of ash and elm trees to disease. So, this ambitious goal is to at least double Eastbourne's tree cover by 2030 and for the town to be carbon neutral.

We are focussed on getting trees planted, on both public and private land. We're working with the council, and independently, to find sites – large and small – where we can plant trees. We're also raising the money to buy them, enlisting the volunteers needed to plant them, and planning and managing the planting projects.

Specific projects include, Greening Eastbourne's Streets, Old Ratton, Tugwell Park, and Sevenoaks Rec plus the Queen's Platinum Jubilee Green Canopy. There are initiatives for schools to join and you can sign up to be a tree ambassador at trees@treebourne.org

At **Eastbourne and District Samaritans** we are a safe space to listen to you without judgement. We are affiliated to the national charity but we are responsible for raising all our own funds. We receive no financial support either from the national charity or from the Government. We have around 90 listening volunteers at our branch and 15 support volunteers including some who help in the Samaritans shop in Grove Road.

We have volunteers on the phones for up to 17 hours a day 7 days a week. Last year we answered 20,000 calls from people who needed our service. We are also open for face-to-face visitors from 10:30AM to 10:30PM every day.

People talk to us about job stresses, being out of work, money troubles, family struggles, relationship issues, feeling alone, feeling worthless, feeling sad or angry all the time, getting into trouble, being abused and feeling suicidal.

It doesn't matter what kind of problem you have or how big or small it may seem compared to the problems other people have. Need help, call **116 123**.

East Sussex College Group: "Become the future YOU"

East Sussex College is the largest Further Education (FE) provider in the region, offering a range of courses, including A-Levels, Technical and Professional courses (including T-Levels), plus Apprenticeships, Degrees and Access to HE courses.
